

FREE Technology Workshop for SC Educators

March 17, 18, & 19, 2009

8:00 am – 3:00 pm

Want to enhance your technology skills? Ready for new and fresh ideas for the classroom? Maybe take a Professional Day or a Personal Day? Does your district swap a training day for another in-service day?

COME! You will not be disappointed!

Select one session or multiple sessions, one day or two days, and come to the ETV Studios in Columbia, SC, for a valuable experience in **networking** with fellow educators, **expand your knowledge**, **be inspired**, and return **ready to share** with all at your school.

Basic Streamline; OnePlaceSC.org; Movie Maker; Digital Storytelling; Knowitall.org; TeacherLine Southeast; Interactive White Boards; Podcasting; Blogging; Assignment, Quiz and Writing Prompt Builders; Media Literacy; GPS; Google Earth; 50 Ways to Use Streamline; and much, much more.

Session Descriptions and Registration online at

<http://etv.streamlinesc.org>

A 1-hour re-certification course will be offered by ITV in conjunction with this workshop for \$50.
