The

California DEN

Leadership Council **invites you!**

Saturday, October 24, 2009

Ghosts and goblins will gather to participate in the national virtual conference, then we'll release the technology ghouls by breaking out into our own sessions led by DEN Stars.

Use your vampire teeth and take a "byte": we'll go door-to-door gathering technology treats, gobble down a delicious lunch, and spook one another with integration ideas. It will be a SCREAM!

Costumes encouraged, but not required

Dress as a favorite Discovery personality and win prizes!
