

# Take Your Students to the Depths of the Pacific with Philippe Cousteau

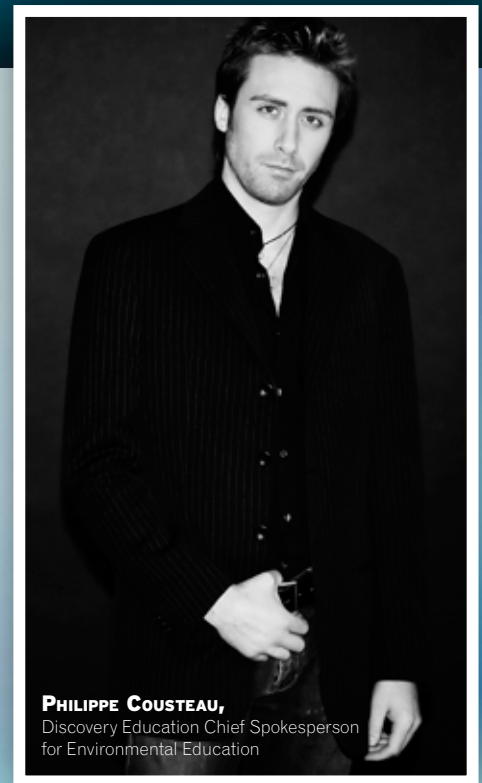

**Monday, March 1, 2010**  
**9:00 AM - 10:00 AM CT**

Discovery Education and Education Service Center Region XI are proud to present Texas educators a captivating Virtual Field Trip for Texas elementary school students. Join Philippe Cousteau, grandson of the legendary Jacques Cousteau and Discovery Education Chief Spokesperson for Environmental Education, as he takes your students to the Seattle Aquarium to explore animal adaptation in the ocean and the mystery of the coral reefs.

Lesson plans and activities, aligned to TEKS, will be provided to teachers in advance of this event.

**Register for this Free Event at**  
**[Links.DiscoveryEducation.com/TX](http://Links.DiscoveryEducation.com/TX)**

Register your class by **February 24, 2010** and be entered to **win a visit from Philippe Cousteau** to your school. All participating classrooms will receive gifts for both students and teachers.

**PHILIPPE COUSTEAU,**  
Discovery Education Chief Spokesperson  
for Environmental Education
