

My Scientific Summer Assignment

Think of something you did this summer that was related to science. It can be as creative as you wish...

INSTRUCTIONS

1. Write one paragraph describing one thing you did this summer that was really awesome to you.
2. Write a second paragraph explaining how this activity you described was scientific. Get creative, use the internet, ask an adult, etc!!!
3. For 10 bonus points, include a picture of yourself doing this activity. It can be computer generated or a picture that you illustrated.

You can type it, write it, make it colorful, etc...The more creative the better!!!
