## Spotlight Speaker Biographies

**Hall Davidson** joined Discovery Education in 2005 where he blogs, creates webinars, and works in educational partnerships as a director of the Discovery Educator Network, connecting thousands of teachers nationwide. He has spoken about technology and education to audiences around the world.

**Steve Dembo** was a pioneer in the field of educational podcasting. His blog and podcast, Teach42, have served as the inspiration for thousands of educators. In 2006, he was named one of the Top 100 EduBloggers by the Online Education Database.

**Lance Rougeux**, prior to joining Discovery Education as a Director of the Discovery Educator Network, was a Policy Specialist at the Pennsylvania Department of Education's (PDE) Bureau of Educational Technology. He spearheaded many statewide initiatives including Keystones, a program recognized as a success story in the U.S. DOE's National Education Technology Plan.

**Scott Kinney** is a tireless advocate and strong voice in support of the creative and effective application of educational technologies in America's schools. Kinney currently is the Vice President of Media & Technology, Outreach and Professional Development for Discovery Education.
