

All About Me!

The student will use technology resources to support learning.

Standard: The student develops the essential technology skills for using and understanding conventional and current tools, materials and processes.

The student will:

LA.3.6.4.1 - use appropriate available technologies to enhance communication and achieve a purpose (e.g., video, websites); and

LA.3.6.4.2 - use digital tools (e.g., word processing, multimedia authoring, web tools, graphic organizers) to present and publish in a variety of media formats.

Applications: PhotoBooth and Pages

Student will take 2-3 pictures using PhotoBooth.

Student will select one photo and drag to desktop.

Student will select a template from Pages.

Student will insert their photo into the template and add text.

Student will write a few sentences about themselves. Students should include name, grade, team and may discuss home, family, favorite foods, color, etc.

Students will select printer and print their work.
