At Discovery Streaming you will find the Teacher Center that includes a calendar, lesson plan collection, and lessons with a thematic focus.

The calendar can be viewed by day, week, or month. It includes historical events that happened on a particular day. History becomes a real experience for students when they can see and hear through the video clips provided. Various topics are covered including biographies, language arts, and health.

Remember to use option>download to get video/clip on a Mac. Avoid streaming live, especially during FAIR testing.

Lesson Plans

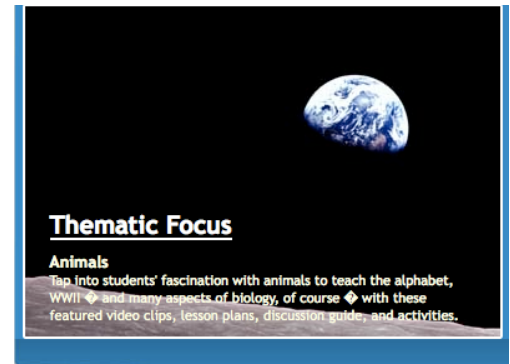

Lesson Plan Library

Select from a listing of all past Lesson Plans, organized by subject area.

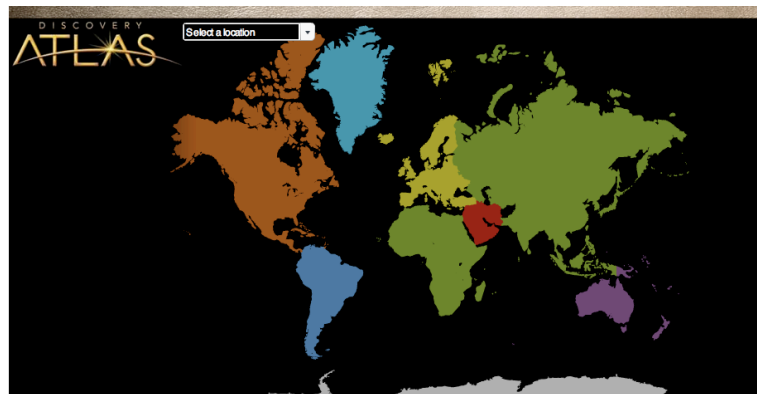

The lesson plan library is a collection of lesson plans that go along with DE streaming videos. Only 200 at this time, but more will be added.
