

Register Your Classroom for a Quest for Curiosity

What sparks your curiosity? Are you supporting your students' inquisitive minds? No matter the grade you teach or the academic focus of your classroom, the Quest for Curiosity will engage your students and challenge them to harness the skills needed to shine in the 21st century.

**Register now for a chance
to win fabulous prizes
for your classroom.**

Discovery Education's Quest for Curiosity is a teacher-led, student-focused activity allowing your students to use their individual Discovery Education STREAMING student accounts. Students will navigate Discovery Education STREAMING digital media resources and find the answers to 10 questions spanning core curricular areas. Along this path they will be exposed to relevant, engaging content tied to your state and common core standards.

Get started on your quest. Register by March 20 at
