

Think Outside the Book

Attend the Discovery EDUCATOR NETWORK Spring Virtual Conference 2011

Educators worldwide are invited to join online and in-person for The Discovery EDUCATOR NETWORK Virtual Conference – Think Outside the Book. The high-quality, professional development seminars will focus on providing you the skills, techniques, and tools you need to integrate digital media and Web 2.0 tools into instruction. Discover an abundance of resources to expand your learning network from education experts from across North America.
