

The New Year, New You Webinar Series

Grow Through Professional Development Webinars

Start off 2011 on the right foot with a full series of free professional development that is perfect for both educator and administrator. We'll start with the basics and expand each week to explore administrative tools and resources, student access, and creating online quizzes and assignments.

Back to Basics: A Discovery Education streaming Overview

Thursday, January 27, 2011 3:30 PM ET

Get back to the basics of Discovery Education streaming! This webinar will explore the myriad of curriculum resources and time-saving features found in Discovery Education streaming. Already used by over 50% of US schools, the DE streaming library offers more than 100,000 learning objects aligned to both state and Common Core standards including: 55,000+ video segments; 25,000+ images; and thousands of encyclopedia articles, songs and hard-to-find speeches. Our webinar begins with the basics and moves through searches, the teacher center, and other resources.

Managing and Mastering Discovery Education: DE Administrator Tools

Tuesday, February 1, 2011 7:00 PM ET & Thursday, February 3, 2011 3:30 PM ET

Get a behind-the-scenes look at Discovery Education streaming! During this session, we'll dive into the database that drives Discovery Education streaming and explore the management tools available to you. By the end of the session, you'll know how to find and reset usernames and passwords, shuffle users and run usage reports within the Discovery Education site to truly understand how Discovery Education streaming is being used at your schools.

Learning Gone Digital for Administrators: Providing Students Access to Discovery Education streaming

Tuesday, February 8, 2011 7:00 PM ET & Thursday, February 10, 2011 3:30 PM ET

Did you know that your Discovery Education streaming license covers not only every educator at your school or district, but every single student as well? Learn how to get your students up and running with an upload of simple spreadsheet in the My Admin site, and in no time your students will be streaming from home, school or anywhere they have an internet connection! Are your students already logging in?

Learning Gone Digital for Educators: Maximizing Student Engagement Using Discovery Education streaming

Tuesday, February 15, 2011 7:00 PM ET & Thursday, February 17, 2011 3:30 PM ET

Are you looking for new ways to engage your students with Discovery Education streaming? In this webinar, learn how to build classrooms, assign resources, interactives, and more to your students. We will also explore how to create customized writing prompts, quizzes, and assignments to differentiate instruction to meet the individual needs of your students with our Builder tools.

Differentiate Like Never Before: Discovery Education Teacher Center Curriculum Resources

Tuesday, February 22, 2011 7:00 PM ET & Thursday, February 24, 2011 3:30 PM ET

Streaming and downloading is just the beginning! This webinar will provide you with an overview of the resources available within Discovery Education streaming and give you the tools to integrate the content directly into your classroom. You will be inspired to utilize all the time-saving and content-rich resources in the DE streaming Teacher Center!
