NYDENLC Geocaching Event

A few tips for the event

(Prevent mishaps by adequately preparing for the trip)

- Feel free to bring geocaching devices
(our team does have the necessary equipment for the event – but the more the merrier)
- Dress appropriately – depending on the weather, we plan to explore the park trails surrounding Saxon Woods.
Please plan for these natural environments: trail conditions and season.
 - Be tick aware.
 - Pack any medical necessities.
 - Consider comfortable shoes for the various terrains.
 - You may wish to bring a bottle of water to stay hydrated.
 - During the geocaching hunt please stick with the group.
- As the saying goes: Let's remember to leave nothing behind but footprints and take nothing but memories.

Please RSVP on our wufoo located at:

What is geocaching?

“Geocaching is a worldwide game of hiding and seeking treasure. A geocacher can place a geocache in the world, pinpoint its location using GPS technology and then share the geocache's existence and location online. Anyone with a GPS unit can then try to locate the geocache.”

What is needed to geocache?

- The location (coordinates) to a hidden cache container.
- Technology to locate the hidden cache (maps, compass, GPS, GPR)
